

IN THE HIGH COURT OF JUDICATURE AT PATNA
C.R. No.1535 of 2006
MOTI CHAUDHARY & ANR
Versus
CHOTEY CHOUDHARY & ANR

4. 5.12.2008 Heard counsel for the petitioners.

The petitioners seem to be reeling under some misconceived notion. The court below by the impugned order has simply allowed the prayer of withdrawal of the appeal and any observation made therein is only with regard to the submissions of the parties.

That being so, this civil revision application is wholly misconceived and accordingly, is dismissed.
